

Bedminster Elementary School and Bedminster PTG

Email Registration

Bedminster is going green! Just like the rest of Penridge School District, we are focused on conserving energy and resources. One way we can make a difference is reducing the amount of paper we use. We would like to begin to communicate with our parents via email beginning with the start of the 2009-2010. If you are interested in signing up to receive Bedminster Elementary School and Bedminster PTG information via email please read and complete the “Bedminster Email Registration” form attached.

_____ Yes, I would like to be included on the email distribution list for school and PTG information. My email address is _____.

_____ No, I would like hard copies of information sent home with my child.
